Hi Maureen,

Attached please find an IOAA-reviewed copy of the response to GAO's statement-of-facts on the IRIS portion of the *EPA's Chemical Management Strategies* review (GAO Job Code 102673).

Along with the response file, I've attached additional PDF's of documentation that should be transmitted to GAO that may help with clarifications. We will be following up with some additional materials under separate cover in the near future.

Let me know if you have any questions, and thanks for your help!

Best,  
Lou
